Mandarin Oriental Residences | Turkish Real Estate

Etiler, Istanbul

Situated in one of the most upscale areas of Istanbul, the Mandarin Oriental Residences offers you a chance to invest in the most exclusive homes in Istanbul. The

3 eye-catching towers of this project demand attention, with two featuring residences and one including a hotel.

As one of the most family-friendly projects in the city, the Mandarin Oriental Residences offer 251 elite serviced apartments, each allowing residents to admire the Bosphorus views and indulge in a plethora of high-end amenities.

As a mixed-use project, the residents of the units have the luxury of enjoying the best restaurants and cafes while also accessing a multi-story parking space.

The beautiful gardens and green spaces of these apartments for sale in Turkey extend throughout the project, connecting its residents to nature and ensuring their maximum enjoyment.

To add to this, every indoor and outdoor facility has been designed to give residents and guests a luxury living experience. Furthermore, each unit has been elegantly crafted to include wide terraces for residents to unwind and spend quality time.

All the Mandarin Oriental Residences give a villa-like feel with their tall ceilings and chic interiors. Moreover, this project has been developed by the renowned Astaş Holding while being designed by a Dutch company called UNStudio.

If you're someone looking for a home that pushes the boundaries of luxury and exclusivity, the Mandarin Oriental Residences is the project for you!
