Next Level Kemer | Buy Apartment in Turkey

Kemerburgaz, Istanbul

Next Level Kemer is a game-changing premium project for buyers of apartments in Turkey who want a home blanketed in nature yet not too far from city life. With more than 250 immaculate living spaces available, this project offers a variety of floor plans to better fit the preferences of every homebuyer.

This is a premium project extending over multiple blocks with beautiful forest and garden views from spacious terraces. It also offers robust connectivity to different parts of the city, including business centers like Maslak and Kagithane, via metro train.

Homebuyers have a wide range of 1+1 to 5.5+1 units that promise the highest level of comfort and practicality.

Living at Next Level Kemer can bring you close to all the necessities of life such as shops, cafes, restaurants, hospitals, and educational institutions.

Residents at Next Level Kemer don't have to stress about parking issues and can benefit from the double-story parking garage and park their vehicles in full security.

The project also boasts a "living square" with ponds, green landscapes, and sitting areas for residents to socialize and make the best of their time.
